

Embajada de España

Oslo, 3rd February 2017

Dear Sir or Madam,

On behalf of the Embassy of Spain in Norway, I cordially invite you to a collaboration meeting on education and the state of Spanish language pedagogy in Norway at 15:30 on Wednesday, the 15th of February, 2017. It would be a pleasure to have you attend this open dialogue, where the current status of Spanish language programs and their corresponding possibilities for growth within the Norwegian teaching network will be discussed.

We are reaching out to you because we are interested in building partnerships with Spanish educators in the country and would like to inform you of social and professional opportunities we are developing to further enhance pedagogic training. This outreach initiative lays the base for a more cohesive expansion of Spanish tutelage nationwide and allows for a broader long-term investment of Spanish culture in the Norwegian society. Please join us as we look to foster stronger connections between our Embassy, the Norwegian Ministry of Education and Spanish educators at large.

Additionally, I welcome you to join an event we are hosting in cooperation with the Department of Spanish at the University of Oslo, featuring Spanish scholars of Literature and Creative Writing, on the 13th of March, 2017. Please let us know if you will be able to attend. I truly look forward to the introduction of our newest proposals for Spanish language instruction and look forward to hearing your thoughts at one of these upcoming events.

Sincerely,

Jorge Cabrera Espinós
